Subject Re: Request for review, edits and approval. R31935 

Here's the attached RPM checklist for Rte. 7/NJF. The only edit I noted was the QAPP/SAP approval date of 6/16/04.

* NOTE: Your Division Director and Program Managers have made QAPPs/SAPs mandatory before any analytical requests can be processed.

The analytical requests per site activity need to reflect the content of the approved QAPP/SAP and be on file at Fort Meade. Please include the plan reference number. If there were any modifications made to the QAPPs/SAPs, they need to be sent to Fort Meade as soon as possible so requests can be processed.
